Practices and Games: The coach will contact you with the date & time of the first practice. The remaining practice will be set by the coach and will be given to you as soon as possible. Game scheduling day for our league is April 7th. The coach will have a game schedule once they have that information.

It is important that you notify your child's coach with any contact information changes, i.e. new phone number or email address. This way they can keep you up to date on any schedule changes or cancellations.
